

SFRC COVERS

SFRC MANHOLE COVERS & FRAMES

We manufacture FRC manhole covers and frames as per IS - 12592 Covers and frames are provided with steel rims to prevent edge damage. Covers and frames are lighter than cast iron covers and frames and hence are easy to handle.

Covers are provided with easy lifting arrangement.

- Top surface of covers is provided with checkered surface for safety against hazard of slipping.
- Side and bottom surface of covers are provided with anticorrosive Epoxy coating.

ADVANTAGE OF SFRC

- Safety
- Economical
- Low maintenance
- Easy handling
- Cost - effective.

SIZES AVAILABEL
